

# LaCie LaCinema Premier

USB 2.0 Multimedia Hard Disk

## See Your Movies On A Big Screen

### Movies, Photos & Music on TV

Easily turn your TV into an entertainment center for enjoying your movies, photos and music with the LaCinema Premier. Simply connect it to your PC or Mac via USB to transfer your digital media files; then plug it into your TV for instant playback. Save time and avoid having to burn CDs/DVDs with this USB multimedia hard drive.

### Seemingly Limitless Capacity

Store your entire media library on the LaCinema Premier with massive capacity up to 1TB (1000GB). Plug it directly to a TV to watch hundreds of movies, view thousands of photos or play thousands of songs for your family and friends. Designed to be simple and fun for anyone to use, it provides an easy-to-navigate on-screen menu and convenient remote control.

### 1080i Upscaling & Surround Sound

The LaCinema Premier supports a wide variety of video, audio, and photo formats. Designed with HDTV screens in mind, it can adapt video content up to a 1080i resolution to improve your viewing experience. Enjoy surround sound thanks to its optical output capability. With the LaCinema Premier, there's no compromise on visual or audio quality.

### Hi-Speed USB 2.0 Storage

Compact yet powerful, the LaCinema Premier can serve as an external hard drive for additional data storage. Since it comes with a USB port and cable, you can plug it into your desktop or laptop PC or Mac for an easy, quiet backup solution. Its elegant, black body is designed to run silently-without a noisy fan. Our exclusive LaCie '1-Click' Backup Software is included for quick, easy backups.
